PICTURE DOMINOES

900000271

3-6

Contents:

- 25 wooden dominoes
- wooden box (33.5 × 22.5 × 7 cm)

Place the wooden tiles against one another correctly. Start with the beginning of the skipping rope, and each time find the missing half. The 'Picture dominoes' stimulate the vocabulary. Because the pictures are arranged by topic, they create 'mental hooks' on which the children can hang the words.

ANIMAL MEMO

900000253

3-6

Contents:

- 48 plastic image cards
- wooden box (24 × 12.5 × 7 cm)

Sort the animals. Find parent, child and element of the animal. Thereby, learn to use the names of animals in the right context. The game stimulates the ability to concentrate and trains the fine motor skills.

COMBINO - ABOUT ME

900000128

3-6

Children are invited to look carefully at which drawings belong together. This stimulates visual discrimination and vocabulary. Because the images are offered in clusters, 'mental hooks' on which the child can hang the new words are created.

Contents:

- 6 plastic task cards
- 48 transparent plastic image cards
- wooden box (33.5 x 22.5 x 7 cm)

COMBINO - ANIMALS

E522887

3-6

Contents:

- 6 plastic assignment cards
- 48 transparent plastic image cards
- wooden box (33.5 x 22.5 x 7 cm)

Complete the animals by placing the transparent cards on the assignment card. Develop colour and shape sensing and learn to combine 2 parts into a whole. In a practical way develop visual perception and synthesising.

COMBINO

E522036

3-6

Contents:

- 6 plastic assignment cards
- 48 transparent plastic image cards
- wooden box (33.5 x 22.5 x 7 cm)

Combino consists of assignment cards with each 8 transparent image cards. Children match the transparent image card that relates best to the image on the assignment card.

COMBINE THE TWO PICTURES

900000140

3-6

Contents:

- 28 wooden image cards
- wooden box (24 x 12.5 x 7 cm)

Try to match corresponding image cards. Explain your observations and why the cards belong together. The words are based on the world as experienced through the eyes of a toddler. Themes include vegetables, fruits, arts and crafts, and animals.

COMBINE THE THREE PICTURES

900000141

3-6

Contents:

- 48 plastic image cards
- wooden box (24 x 12.5 x 7 cm)

WHAT GOES TOGETHER

900000127

3-6

Contents:

- 6 wooden theme sheets
- 36 wooden image cards
- wooden box (33.5 x 22.5 x 7 cm)

The theme sheets depict situations that match the experience and interests of a toddler. When you talk about the sheets with the toddlers, they learn the meaning of basic words and understand and will be able to use them in the right context. By putting the cards with the images next to the right sheet, children learn to sort. This promotes language and numeracy skills.

OCCUPATION PROJECT

E522325

3-6

These 6 detailed job scenes each have 10 related images of tools from a trade. Match the items that relate to the different work environments. This game encourages children to clarify unknown words and think about different job responsibilities.

Contents:

- 6 wooden theme cards
- 60 wooden image cards
- wooden box (33.5 x 22.5 x 7 cm)

Contents:

- wooden game board with spinner, containing 12 characters
- 36 plastic cards, containing 18 characters and 18 subjects
- 4 rubber suction cups in pink and green
- wooden box (33.5 x 22.5 x 7 cm)

CONNACT

900000112

3-6

Spin the pointer on the spinner and with the suction cup grab a matching card as fast as you can. Name what you see, invent a story and enact it alone or together. Who collects the most cards? Playing with language while moving around, makes learning more fun and more effective! More connections are made in the brain, making it easier for you to remember new information.

MINDMAPPING - SORT THE PICTURE

900000054

3-6

Contents:

- 10 wooden circles with wooden connecting pieces
- 6 plastic assignment cards, printed on both sides
- 70 plastic cards
- wooden box (33.5 x 22.5 x 7 cm)

Mindmapping helps children to sort images by theme and it increases their vocabulary. Processing information visually, makes it easier to remember that information.

The game contains assignment cards that, together with the coloured wooden circles, form the mind map. The assignment is at the heart of the game, around it follows the ramification. The children can select images from the supplied cards with which to fill in the mind map. The themes on the assignment cards are very diverse, from colours to the design of a house.

VOCABULARY BINGO

900000139

3-6

Contents:

- 8 plastic bingo cards
- 48 plastic image cards
- 50 counters
- wooden box (24 x 12.5 x 7 cm)

Turn over the image cards one by one. When you see an image that is on your bingo card, you place a counter. Who is the first player to fill a bingo card? Stimulate visual discrimination skills and social skills.

Contents:

- 4 plastic theme sheets
- 12 plastic assignment strips
- 12 transparent plastic cards with a red cross
- 50 plastic chips
- wooden box (33.5 x 22.5 x 7 cm)

WHAT IS MISSING - 4 SEASONS

900000126

3-6

Which of the objects shown on the assignment strip cannot be found on the theme sheet? The theme is the 4 seasons, whereby the same house and family is displayed in 4 different seasons. Children learn to recognise and name the seasons. They sort the matching objects and exclude what does not match.

OPPOSITES

E522326

3-6

Contents:

- 24 plastic image cards
- wooden box (24 x 12.5 x 7 cm)

Play together and share a variety of synonyms and antonyms. Scramble cards and arrange like a memory board or stack in a deck. Players collect pairs of cards which are opposites of each other.

SEARCH AND FIND

E522981

3-6

Contents:

- 12 wooden red discs with knobs
- 8 plastic assignment boards
- wooden game board/storage board (32 x 32 x 6 cm)

Fun variation on the memory match game concept. The pairs relate to each other but are not identical. Insert one assignment card into the game box upper shelf and try to find the related pairs by lifting the red discs. Durable and versatile, this boxed set keeps all the items in place.

SORTING LOTTO - ANIMALS AND THEIR FOOD

E523074

3-6

SORTING LOTTO - ANIMALS AND THEIR BABIES

E523076

3-6

SORT AND COMBINE CARDS WITH ANIMALS AND
THEIR FOOD, FUR, BABIES OR HOME. INCREASE
VOCABULARY AND KNOWLEDGE ABOUT ANIMALS.

SORTING LOTTO - ANIMALS AND THEIR HOME

E523077

3-6

SORTING LOTTO - ANIMALS AND THEIR FUR

E523075

3-6

SORTING LOTTO - 4 SEASONS

900000149 / 900000150

3-6

Contents:

- wooden frame (40 x 28 cm)
- 2 plastic theme cards
- 16 plastic image cards

The cards are sorted by season. This gives the child an idea of the seasons, and they can recognise and name the words.

The vocabulary is stimulated, and the child is introduced to the chronology of the seasons.

Vocabulary puzzles

THESE WOODEN PUZZLES DO NOT ONLY HAVE BEAUTIFUL PICTURES TO PUT TOGETHER, THEY ALSO HAVE PIECES OF DIFFERENT SIZES. THE LARGEST PIECES CONTAIN A SPECIFIC WORD. THIS INCREASES THE VOCABULARY AND STIMULATES STORYTELLING.

A set with a variety of puppets with which children can imitate all kinds of situations. The set can be used in combination with the puppet theatre or the story theatre.

NEW

PUPPET THEATRE

900000370

3-6

• Dimensions 56.5 x 96.5 cm.

Working with the puppet theatre contributes to provoking communication, to stimulating interaction and imagination, to the language development including storytelling, and to a good listening posture.

NEW

STORY THEATRE

E522182

3-6

The table top theatre is ideal for bringing stories and lessons to life. The arch acts like a picture frame which draws in the focused attention of children. This creative teaching tool is excellent for use with hand and finger puppets as well as sketches and pictures.

Contents:
• wooden table
top theatre
(47 x 37 x 9 cm)
• whiteboard

STORY SHEETS

E522224

3-6

Contents:
• 12 plastic story boards

Encourage interactions between children and help them to expand their vocabularies. Insert the boards into the Story theatre (E522182). Themes revolve around: seasons, daily life situations and recreational trips.

NEW

NEW

HEAR THE SOUND

900000133

3-6

Children are invited to listen intently to sounds and to recognise them. 'Hear the sound' stimulates the ability to listen and speak. Because the sounds are presented in categories, the child creates 'mental hooks' on which the new words can be hung. This permanently increases the vocabulary.

Contents:

- 8 plastic base cards
- 48 plastic assignment cards
- 32 plastic colour cards
- wooden holder
- wooden box (33.5 x 22.5 x 7 cm)

LISTEN TO THIS

E523122

3-6

Communication game which covers various topics such as: scenarios, spatial concepts, colour, number and size. Two players sit opposite one another and work together to accomplish the assignment. One child gives verbal instructions and clues while the other child listens and responds. Playing Listen to this, helps to enhance vocabulary and cooperation skills.

DO ZOO - WHERE DOES THE ANIMAL BELONG?

3003141

3-6

Two children are sitting opposite each other. They choose an assignment card and give each other verbal instructions, such as: 'Place the giraffe on the grass at the top left of the game board'. Both children place the giraffe on the map. Develop visual memory, auditory discrimination, insight into spatial relationships and logical thinking.

LACE TOGETHER

900000252

3-6

NEW

Play on opposite sides of the upright frame board. Pass the laces to one another through the holes in the board. Cooperate to follow assignment card images or create own designs. This game fosters communication, creativity and teamwork.

- Contents:**
- plastic board
 - wooden stand
 - 16 assignment cards
 - 8 coloured laces in 4 colours
 - wooden box
- (43.5 x 33.5 x 7.5 cm)

TALK TOGETHER

900000152

3-6

A cooperative game in which the tasks are carried out by talking to each other. This stimulates communication skills and vocabulary. Children learn to cooperate and experience that this leads to a result.

NEW

Contents:

- 2 talking boards printed on both sides
- wooden stand
- 16 plastic task cards
- 8 magnets in 4 colours
- wooden box (43.5 x 33.5 x 7.5 cm)
